

## Student Material Phone Conversation – Evaluation 2

### Inglés de Negocios Internacional Intermedio

#### Activity 1: Questions

Answer your tutor questions.

appearance – hobbies – intelligence – marital status – age – gender –  
family connections - experience

#### Activity 2. Ethics

Role-play this situation.

You are senior manager of a department store. Your business is losing market share. You strongly suspect your main rival is using unfair methods to compete against you. For example, you are almost sure that your rival has been:

- a) trying to obtain information about your market strategy from an employee who has just left your company;
- b) offering members of your award-winning window-display team exceptionally high salaries and bonuses to leave your company.

**Hold a meeting to explain and discuss how to solve this problem.**

#### Activity 3. Telling stories

Tell a story about any of these ideas.

1. A memorable event in your life (good or bad)
2. An unusual or memorable experience while you were travelling abroad
3. A problem you were able to solve at work
